William Frampton Foundation

The William Frampton Educational Foundation was established in 1687 and since then it has supported hundreds of young people to continue training or education beyond compulsory school age.

The funding can be used to provide equipment, books or help with general maintenance with awards up to £500.

William Frampton's original purpose was "bestowed for binding and putting forth to be apprentices such poor children as should besettled in the Parishes of Moreton, Affpuddle. Briantspuddle or Turnerspuddle" and this remains the responsibility of the current trustees.

Who is eligible?

Any school leaver who lives in the villages (Parish) of Moreton, Affpuddle with Briantspuddle or Turnerspuddle may apply.

We grant awards to young people who are likely to struggle to meet the financial demands of continuing an apprenticeship or education, and who will make maximum use of any additional funding.
